

East Coast Charter TRIP ESSENTIALS

Day 1

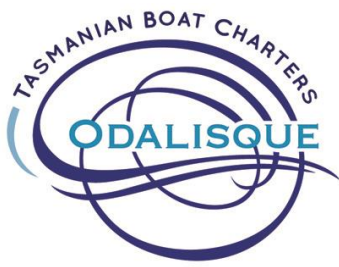

The location and time of the start of your charter is as negotiated with Tasmanian Boat Charters. We are very flexible with time and pick up locations.

Hobart pick up locations include Elizabeth St Pier, Kings Pier Marina, the Queens Domain and with prior arrangement many other public or private jetties within the Hobart area, including Bellerive, Wrest Point Casino, Mona and local yacht clubs & marinas.

Pick-up locations outside of Hobart, including on Bruny Island or any location on the East Coast, are available too. Please enquire with your preferred location.

Our East Coast Charters include:

- *Accommodation aboard Odalisque*
The *Odalisque* provides luxury and functionality to ensure an outstanding experience. With three double cabins and single bunk alternatives, serviced by three bathrooms, the *Odalisque* is able to sleep 10 guests in comfort. This capacity ensures that the sleeping configurations remain private and comfortable.
- *Tailored itinerary*
Itineraries can be tailored to our guests' preference on charter duration & destinations, and of course, to your own personal interests, whether they be hiking, beachcombing, bird spotting, sightseeing from the jet boat or simply relaxing aboard the *Odalisque*.
- *Skipper*
Skipper Pieter van der Woude, who is also the owner of the business, will be your host on the majority of our charters. His lifetime of experience and passion for Tasmanian waters and marine life makes him the perfect skipper for guests wanting to explore Tasmania's coastline.
- *Chef*
Guest chefs provide top-notch, modern Tasmanian fare. We borrow our chefs from some of the best restaurants in Hobart, and you can expect meals as inspiring as the landscapes in which we dine.
- *All meals*
Breakfast, lunch, dinner and all snacks are provided for you by our onboard chef. Please let us know of any dietary requirements in advance.
- *Beverages*
A selection of fine Tasmanian wines, local boutique beer (including tap beer!) & spirits are available on board. A limited number of alcoholic beverages is included daily with your package. Additional alcoholic beverages can be purchased from our onboard bar. Non-alcoholic drinks are freely available.
- *Wet weather gear & other handy items*

Cancellation by Tasmanian Boat Charters

East Coast Charter TRIP ESSENTIALS

Tasmanian Boat Charters reserves the right to cancel any trip due to weather conditions, insufficient numbers or other circumstances outside of its control. In such a case, guests will be given a choice of

- Transferring payments towards another trip date
- Receiving a full refund including deposit and payments paid to Tasmanian Boat Charters.

Please note that we will not be liable for any flight or insurance costs guests may have incurred.

Safety & Medications

If you are taking any medications please be sure to let Tasmanian Boat Charters staff know and to include an extra supply. It is also important that you let us know if you have any pre-existing medical conditions or injuries. Our supplies of non-prescription medications are limited. If this is a concern, feel free to bring your own.

Our skipper and all our guides hold either a wilderness or marine first aid qualification. We carry an extensive first aid kit, satellite communication, location beacon, marine radio and flare kits in case of emergencies.

Power & Phones

Mobile phone coverage is limited in some areas we may be travelling. Please check with Tasmanian Boat Charters' staff to find out more about the extent of coverage you can expect on your charter.

Where there is no reception, we see this as a great opportunity for complete escape from the hustle and bustle of day-to-day life. However, we do understand that in some special situations you may need some communication with the outside world. In these circumstances, it is possible for guests to send and receive text messages and to receive calls only via the Tasmanian Boat Charters' phone. Please feel free to ask the skipper to use the phone if necessary.

Power is available on board to charge up any devices.
